MYSTIC GALACTIC BOTTLE DEPOSIT AGREEMENT

THIS MYSTIC GALACTIC BOTTLE DEPOSIT AGREEMENT (this “**Agreement**”) is made and entered into as of the date that Mystic Galactic Mission One LLC, a North Carolina LLC (“**Mystic**”) accepts a deposit (the “**Bottle Deposit**”) to secure the right to purchase a 750ml bottle of Mystic Galactic Bourbon which at the time of purchase will have been aged for at least 12 months in orbit around the planet Earth (the “**Galactic Bottle**” or “**Bottle**”). The person paying the deposit and each person to whom the ownership of their interests hereunder shall transfer (the “**Customer**”) agree that the purchase of the **Galactic Bottle** and all related rights and duties shall be exclusively governed by this Agreement. Customer and Mystic shall each be a “**Party**” to this Agreement and are collectively referred to as the “**Parties**”.

WHEREAS, **Mystic** markets spirits produced by craft distillation and aging, including aging in orbit around the earth; and

WHEREAS, **Customer** desires to own a **Galactic Bottle**, to sample the **Bourbon** contained therein without having to open the **Galactic Bottle** to do so, and to have access to apps, events and experiences that are to be provided to **Customers** related to the production of Mystic Galactic Bourbon Whiskey, on the terms and conditions set forth in this Agreement.

NOW THEREFORE the **Parties**, in consideration of the promises and mutual covenants contained herein, agree as follows:

1. **Definitions.** As used in this Agreement, the following terms have the respective meanings set forth below:

“**Gas Fees**” are the fee **Customers** pay in order to complete a transaction or execute a contract on the Ethereum blockchain or sidechain platform.

“**Launch**” means the loading of the **Bourbon** onto a vehicle capable of insertion of the same into **LEO** in preparation for a mission, and the ignition of the main engines on said vehicle for the purpose of achieving an orbital insertion of the bourbon.

“**Low Earth Orbit**” or “**LEO**” means the region of space above an altitude of 62 miles above sea level.

“**Mystic**” has the meaning set forth in the first paragraph of this Agreement.

“**\$**” means United States Dollars.

2. **Bottle Deposit and Record Keeping.**

- (a) Pursuant to this Agreement, upon their payment of the **Bottle Deposit** and any required **Gas Fees**, the **Customer** will be issued a Non-Fungible Token, recorded on the Ethereum blockchain and **Customer** will be given the private key to the **NFT** so that they can become the **NFT Record Owner**. **Customer** may choose to store the **NFT** in an electronic wallet or otherwise, but **Customer** agrees that once the **NFT** is issued, **Mystic** cannot access the private key nor provide any assistance to recover the same.
- (b) The **Parties** agree that the **NFT** is the only definitive record of ownership of the **Bottle Deposit** itself and a **Person’s** right to receive all the other rights and benefits provided by this **Agreement**, including without limitation, access to apps and events, use of the **Bottle Deposit** to purchase the **Bottle**, and to receive refunds. The **Parties** agree that **Mystic** shall refer only to the **NFT** to determine, among other things, the identity of the **Person** entitled to be admitted to events related to the production and release of **Mystic Galactic Bourbon**, access to software applications providing telemetry data, media, and updates about the production of the **Bourbon**, and the use the **Bottle Deposit** for the purchase of the **Galactic Bottle**. Neither **Mystic** nor any **Released Parties** shall have any liability for relying on the information contained in the **NFT** blockchain to positively identify the **NFT Record Owner**, or for requiring that the **NFT** private key be used to effectuate a blockchain transaction to prove the identity of the **NFT Record Owner** or to control access to any right or **Benefit** provided to the **NFT Record Owner** under this **Agreement**.
- (c) **Customer** agrees that a transfer of the **NFT**, as recorded in a completed blockchain transaction to another person, divests the prior holder of all

rights under this Agreement and irrevocably vests those rights in the other person to whom the NFT was transferred for so long as they are listed in the blockchain as the NFT Record Owner. These rights include but are not limited to the right to use or receive a refund of the Bottle Deposit, use of apps related to the Galactic Bottles, and to attend any events provided to the NFT Record Owners.

- (d) **Customer** agrees that if **Customer** loses access to the NFT private key, **Customer** will lose access to the **Bottle Deposit**, and all benefits under this **Agreement**, and that **Customer** is solely responsible for keeping their private key secure and in a usable form.
- (e) Upon receipt of a **Bottle Deposit**, the **Bottle Deposit** shall be converted to \$, and held by **Mystic** in an FDIC insured bank, denominated in \$ (regardless of the original payment method or currency) until the **NFT Record Owner** either:
 - (i) receives a refund of the **Bottle Deposit** as provided herein,
 - (ii) receives access to a **Benefit** corresponding with a **Permitted Disbursement**.
 - (iii) receives notice that the bottle corresponding to the NFT is available for purchase using the **Bottle Deposit** to pay for the **Bottle** pursuant to Section 5(b), or waives the right to use the **Bottle Deposit** as provided in Section 5(e).
- (f) **Customer** agrees that it is not entitled to any interest earned on the **Bottle Deposit**, even if **Mystic** receives interest income from the financial institution holding the **Bottle Deposit**.

3. **Orbital Aging**

- (a) Once **Mystic** has taken **Bottle Deposits** for at least one thousand (1000) **Bottles**, **Mystic** will use other funds to prepare to **Launch** sufficient barreled **Bourbon**, aged 36 months or more, into **LEO** for further aging to fill the production requirements for the **Bottles**. The **Launch** will take place in a commercially reasonable time considering the engineering, fabrication, qualification and launch services availability necessary to achieve the mission objectives and parameters. **Customer** acknowledges that this is a difficult mission requiring care and expertise to complete. Nothing in this **Agreement** shall preclude **Mystic** from conducting a **Launch** prior to the receipt of a certain number of **Bottle Deposits**.
 - (i) After **Launch**, **Mystic** will attempt to age the barreled **Bourbon** in **LEO** for a sufficient period (but not less than 12 months) such that the **Bourbon** has been aged in oak barrels for a total period of more than 48 months.
- (b) If **Mystic** fails to collect 1000 (one-thousand) **Bottle Deposits** within 365 days of taking its first **Bottle Deposit**, **Mystic** may announce one 90-day extension of the initial sale. If less than 1000 (one-thousand) **Bottle Deposits** are collected within

455 days of taking its first **Bottle Deposit**, **Mystic** shall convert the **Bottle Deposits** from \$ into the form received from the original **Customer** and refund them in the form received to the **NFT Record Owner** at the time the refund is announced. **Mystic** may use a portion of the **Bottle Deposit** to pay the actual cost of the **Gas Fees** required to process the refund transaction.

- (c) If a **Launch** fails to achieve the successful return of the **Bourbon** for bottling, **Mystic** may either:
 - (i) Proceed with a subsequent **Launch**, in accordance with the terms of Section 3(a), or
 - (ii) Announce a refund of the **Bottle Deposit** and, within sixty (60) additional days, refund the **Bottle Deposits** remaining after any **Permitted Disbursements**.
 - (1) **Mystic** shall have the option of refunding the **Bottle Deposit** by:
 - a. Issuing an electronic payment refund using the same method by which the **Bottle Deposit** was paid, converting the amount of \$ then remaining into Ether and refunding the same to the **NFT Record Owner** through a blockchain transaction, or by another method agreed to by the **NFT Record Owner**. **Customer** acknowledges that there is a risk that the Ether exchange rate from \$ may have changed over the time between payment of the **Bottle Deposit** and the refund, and accepts that the actual exchange rate used by **Mystic** to convert the **Bottle Deposits** into Ether will be used to calculate the amount of Ether payable to the **NFT Record Owners**. **Mystic** may use a portion of the **Bottle Deposit** to pay the actual cost of the **Gas Fees** required to process the refund transaction if applicable.

4. **Benefits & Permitted Disbursements**

- (a) **NFT Record Owners** may be given access to **Benefits** as listed below. **Mystic** will create events which, in **Mystic's** sole discretion, provide a level of quality commensurate to the exclusivity of the event. No guarantee of satisfaction is made with respect to any **Benefits**.
- (b) Access to **Benefits** may be conditioned on the **NFT Record Owner** agreeing to the terms of software license agreements or releases. The refusal of an **NFT Owner** to agree to any release or software license agreement shall not affect **Mystic's** right to **Permitted Disbursements**.

- (c) **Mystic** shall not be required to accommodate scheduling requests, security arrangements beyond normal commercial security that would be provided for members of the general public, food meeting specific dietary requirements, or any other accommodations unless related to a documented disability and required by applicable law. All disability related requests shall be made within five (5) days of the announcement of the event.
- (d) **Mystic** reserves the right to terminate **Benefit** access to any **NFT Record Owner** whose behavior, in **Mystic's** sole opinion, interferes with the safety of any **Persons** or property, or hinders other's enjoyment of the event, or violates any law or rule of the place where the event is held. No refunds will be given for any **Permitted Disbursements** related to **Benefits** no longer accessible pursuant to this provision.
- (e) **Mystic** shall not be responsible for any costs of any kind incurred by **NFT Record Owners** in accessing any **Benefit**, such costs include without limitation, travel and lodging costs, duties, taxes or government permit fees, aircraft or other vehicle parking fees or tolls, vaccinations required for travel, device costs, shipping costs, interpreter fees, currency exchange fees, internet or telephone access or use charges, or any other costs of any kind occasioned by the availability of or acceptance of a benefit.
- (f) A list of the **Benefits** and the corresponding **Permitted Disbursements** is as follows:
 - (i) Launch Party - Location TBD (includes one (1) Guest) \$4,000
 - (ii) Telemetry Application - iOS or Android up to 5 devices \$1,000
 - (iii) Recovery Party - Location TBD (includes one (1) Guest) \$5,000

5. Purchase of Bottle.

- (a) Once the **Bourbon** returns from **Low Earth Orbit**, each of the **Galactic Bottles** bearing an **NFT** will be filled with the **Bourbon** proofed to 50% Alc./Vol. (100 proof) within a maximum tolerance as allowed by applicable regulations and bottled in a 750ml glass bottle pursuant to an approved COLA. **Customer** agrees that the packaging provided may differ materially from the prototypes shown previously to the public, and that certain elements of the packaging may not be reasonably available at the time of packaging. **Mystic** reserves the right to make artistic and other changes to the packaging, so long as the bottle sold contains the **Bourbon**, and so long as the packaging meets the requirements for the packaging of distilled spirits for retail sale in effect at the time of the bottling, in the jurisdiction where the bottle will be sold.
- (b) When the **Bourbon** is made available for sale, **Mystic** shall notify each **NFT Record Owner** that a **Galactic Bottle** marked with the corresponding **NFT** is available for purchase at the **Durham Facility** or another approved seller selected by **Mystic** at its sole discretion. The seller will apply the full amount of the **Bottle Deposit** to the pre-tax purchase price of the **Bottle** and that price shall not exceed

the amount of the **Bottle Deposit** remaining at the time the **Galactic Bottles** are made available for purchase plus **\$60,000**. All **Taxes** associated with the sale of the **Bottle** are the responsibility of the **Customer** purchasing the **Bottle** and must be paid in full at the time of purchase using the currency specified by the seller. At the time the **Galactic Bottles** are made available for purchase, **Mystic** shall withdraw the full amount of the **Bottle Deposit** for its own use.

- (c) A 50ml quality control sample of the proofed **Bourbon** shall be included with each **Galactic Bottle** sold at the time of purchase. This can be provided to the **NFT Record Owner** or their agent for either on-premise consumption where allowed by law, or packaged in a 50ml glass bottle pursuant to an approved COLA for consumption off-premise where allowed by law. Any **Taxes** due on the 50ml sample must be paid by the purchaser at the time of purchase.
 - (d) At the time of purchase, the **Bottle Deposit** will only be applied, and the **Galactic Bottle** released, to the **NFT Record Owner** of the corresponding **NFT** or an agent of the same, upon completion of a blockchain release transaction using the private key, and the **Galactic Bottle** will only be released to a person legally allowed to purchase, possess and consume distilled spirits under the law of the jurisdiction where the release occurs.
 - (e) For security reasons, all **Bottles** must be purchased from the **Durham Facility** or from another location as determined by **Mystic** in its sole discretion. **Bottles** must be purchased within 90 days of **Mystic's** notification to **NFT Record Owners** that the **Bottle** is available for purchase. Appointments will be required and any **Customer** or agent of the same, failing to arrive within 15 minutes of their appointed delivery time may be required to reschedule regardless of whether this causes inconvenience or expense including, without limitation, storage fees. **Customer** agrees that (due to the extreme security requirements and other expenses attendant to safely storing the **Galactic Bottles**) any **Bottle** not purchased after 90 days will incur additional storage charges of \$2,000 per month or fraction thereof per **Bottle**. Storage charges must be paid in full at the time of purchase in addition to the purchase price and applicable **Taxes**. Any **Bottles** not purchased within 180 days will be deemed abandoned and shall become the property of **Mystic** and all related **Bottle Deposit** funds shall be retained by **Mystic** as liquidated damages for the excessive storage costs.
6. **Mission Telemetry** Once the **Bourbon** is selected and prepared for orbital aging, at reasonable times, unless interrupted by physical factors, limitations due to ground transportation or security concerns, government regulations, human error, or equipment failure, **Mystic** shall make reasonable efforts to provide the **Customer** with telemetry data showing the location of the **Bourbon**, the pressure inside each Barrel containing the **Bourbon**, fiber optic views of the inside of one or more of the barrels containing the **Bourbon** and the temperature of the **Bourbon**. All costs associated with accessing the data, including but not limited to internet access fees, device costs, connectivity charges, or other costs of whatever kind are the responsibility of the **Customer**. **Mystic** will limit this access to **NFT Record Owners**, and security measures will require periodic

authentication of **NFT** ownership to maintain access to the telemetry data. **Mystic** shall have no liability to **Customer** for the failure to provide the data described in this Section, or for **Customer's** inability to access the data so provided. All such data is provided for entertainment purposes only.

7. **Term.**

This **Agreement** shall commence on the **Effective Date** and expire when the **NFT Record Owner** has either received a refund of their **Bottle Deposit** pursuant to Section 3(b) or 3(c)(ii), purchased the **Galactic Bottle** pursuant to Section 5(b), or waived the right to do so pursuant to the time limitation in Section 5(e) (the "**Term**"). At the end of the **Term**, the **Customer** fully and forever releases any and all claims against any and all **Released Parties** for any and all claims related in any way to the subject matter of this Agreement.

8. **Limitations and releases.**
